

Suzhou Kunyao Mechanical and Electrical Technology Co., Ltd.
Block B of International Trade Centre
12 Huanghe Road
Changshu city, Jiangsu province, China
8 February 2024

Dear Sirs/Madam,

Distributor Status

I am pleased to confirm that Suzhou Kunyao Mechanical and Electrical Technology Co., Ltd has been trained in the Inteliheat Technologies (Chengdu) Ltd. product range of industrial heaters for drums, containers and other vessels, and is authorized to be our service channel of our products for Asahi Kasei Plastics(Changshu)Co.,Ltd.

Inteliheat Technologies (Chengdu) Ltd. is a Wholly Owned Subsidiary of LMK Thermosafe Ltd. in the UK.

Note that we review each distributor relationships every year for effectiveness and adequacy of purpose. We very much hope that our service and support will permit you to be very successful in the marketplace.

Yours faithfully,

Managing Director
